ASI DATA VERIFICATION - SECOND ROUND

Dear Member

Greetings from ASI headquarters

Further to my email & SMS sent 10 days ago, there were some glitches relating to OTP generation & Email verification. Some were able to validate whilst others could not.

This is a massive exercise never attempted before. Hence, my apologies for any inconvenience.

If you have validated your details in the past 10 days - THANK YOU - you do not need to do anything.

An email will be coming to your registered email id today / tomorrow with specific steps to be followed for Validating or Changing your mobile number & email id. Please be on the look out in your JUNK MAIL (SPAM) folder too!

The email will have <LINK> and when you click on it - you will be taken to a PAGE where your details will be visible. Kindly go through your data set entered and please make necessary corrections, as necessary. This email is also to ensure that your ASI eVote details are verified.

Even if you have voted in previous years, please validate your details once again so that this current validation becomes the most updated version of your details on ASI database. Minor errors in an alphabet would not allow you to vote and hence this request.

Should you have any difficulty or queries, please feel free to contact **1800-200-0424**- Monday to Friday (9am to 6pm). Alternatively, you could send in your query by email with to support@evote.co.in

Together, we can make a STRONG ASI. This is an important component of Mission ASI (2019 & 2020).

Warm personal regards.

Sincerely yours,

Dr. P. Raghu Ram

MS, FRCS (Edin), FRCS (Eng), FRCS (Glasg), FRCS (Irel), FACS

Padma Shri awardee (2015)

Dr.B.C. Roy National awardee (2016)

Vice President ASI & Chief Election Officer (2019)
